

Compliance Statement

September 22, 2022

Dear Valued Customer,

Evantic, a manufacturer and supplier of PTFE and other high performance polymer **articles** for critical applications, states that the materials supplied to your organization comply with Regulation (EC) No 1907/2006 (REACH), Directives 2002/95/EC (RoHS), 2011/65/EU (RoHS 2) and 2015/863 (RoHS 3) and its amendments as of today.

Evantic's products do not contain any of the substances on the SVHC list as of this date. In addition, we hereby state that the following materials also comply with:

- California's Safe Drinking Water and Toxic enforcement act of 1986 (California Prop 65).
- Code of Federal Regulations concerning materials intended to come into contact with foodstuffs.
- U.S. CFR40 Part 751 (Regulation Of Certain Chemical Substances And Mixtures Under Section 6 Of The Toxic Substances Control Act - TSCA), Subpart E.

We foresee no registration or pre-registration requirements for the following PTFE products:

- Sintered (Skived) and Unsintered (extruded) tapes and films, including thread sealant tapes
- Virgin or modified, filled and unfilled (etched or not) molded parts, skived sheets/films and machined components

Should you have any further questions, please feel free to contact us.

Sincerely,
